

Pledge to Net Zero - Annual Report Back Form

This form is part of the annual Pledge to Net Zero reporting back process. In addition to this form, which will be kept internally for the records of the Pledge to Net Zero initiative, as part of the requirement to publicly report we require that you publish your carbon footprint on your organisation's website for public access. Please include the relevant website link in this form when prompted.

The deadline to complete this form is 11:59pm GMT on Friday, 28 February 2025.

If you'd like to receive a PDF copy of your response once submitted, you should be able to save your response as a PDF. Once you have completed the form, a thank you message will appear on your screen. On the top right hand side of your screen, there should be 3 dots and if you click on these, you should get the option to 'print response'. Here select the option to print/ save as PDF. If this doesn't work, please get in touch with sarah.ridgeon@socenv.org.uk to request a PDF copy be sent to email. We can also send through your organisation's previous report back submissions on request.

9. If you wish to provide comments on your footprint and progress in reducing your greenhouse gas emissions, please do so here.

We are a growing company making more and more products each year. We are making substantial reductions in CO2e however, this is masked by us making more and more product. A much more sensible way to measure progress is to use CO2e per unit of output. We have chosen to use Co2e per £1m of sales to measure our progress. This amounts to a 22.1%r eduction in
